Sad to hear about the passing of Bill. I worked with him for 15 years at United Airlines. You could always count on Bill's help and friendship when you needed it the most.

Laura & Kelly,

So sorry to hear of Bill's passing and your great loss so close to Christmas. My thoughts and prayers are and will be with you through the next weeks as you find your way. Know there is no right way, only as God leads, comforts and protects.

I think of you often throughout the year, though we only see each other so briefly. Hope to see you, again, this summer. Meanwhile, I've asked my parents in heaven to greet Bill and show him the ropes of fishing up there.

With much love in warm memories,
Beth

PS sent you a Christmas card just yesterday, before I had heard of Bill's passing. I will light a candle for you all tonight.

Dear Laura and Kelly,
I feel so blessed to have lived next door to your sweet family if only for a week once a year. Bill was so very fun to talk to and share experiences with.
Such a sad loss for you both. Know you are in my thoughts and prayers.
Hope to see you this summer.
God Bless you,
Lynne Sylvester

We have such fond memories of our summers up north especially the beach days with the kids . Bill always had the best nights for talks around the fire planned out. Our thoughts and prayers are with you today.
