Dear Myrtle,

Bert joins me in sending you and the family our sincere sympathy at Joe's passing.

I hope we will get a chance to visit with you sometime when you are at Don's. I really tried to get to Mary's that one time - actually left the house, drove 3 blocks, then circled back home - I was just too tired to come.

We are having too  
hot a summer to please us.  
But and I hope to leave on  
a travelling-camping vacation  
next week - hopefully, to the  
mountains in Idaho!!

Both girls are at home.  
Pat is working, Sue just home  
from a trip to Puerto Rico to  
visit friends. She plans  
to finish here at U. of Dayton  
- will be a Junior.

I am still hobbling from  
my fractured ankle but feel  
so "free" being off the crutches.

Give our regards to your  
clan.

With love,

Alice
