Dear Myrtle,

As you can see from the enclosure, I must not have had your correct current address, and I hope the one on this letter reaches you. It was supplied by Alice, who is with Bert on a western trip that includes some camping in their station wagon.

We just got back a few days ago from a brief Sunday-to-Thursday expedition to the cave and Lincoln country area in Kentucky. The girls explored Mammoth while Anne and I took a river boat cruise and went through another cave. Later we took in My Old Kentucky Home and a horse farm. And the morning after we got back we sent Alice off to a hockey camp in Michigan for a week.

We are glad we are finally having some rain here!

Sincerely,
Evan
